

STATE OF TEXAS

§

RESOLUTION # _____

COUNTY OF BROOKS

§

§

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE BRUSH COUNTRY GROUNDWATER CONSERVATION DISTRICT THAT ADOPTS THE FISCAL YEAR 2013 FEE SCHEDULE

WHEREAS, the Brush Country Groundwater Conservation District (the “District”) has the authority under Chapter 36, Texas Water Code, Chapter 8852, Texas Special District Local Law Code and District Rules to establish reasonable fees; and

WHEREAS, the Board of Directors of the District is responsible for establishing reasonable fees to cover costs of administrative functions and as a regulatory tool to manage the groundwater within the District; and

WHEREAS, the Board of Directors of the District is authorized under Special District Local Law Code §8852.104(d) to impose a fee or surcharge as an export fee. The restrictions under §36.122(e) of the Water Code do not apply to a fee or surcharge imposed by the District. An export fee is necessary as a regulatory tool to mitigate the negative effects on the availability of water in the district; the aquifer conditions that overly the district; subsidence in the district; and on existing permit holders or other groundwater users in the district that result from a transfer of water outside the District; and

WHEREAS, the District is required by District Rules to establish fees by Resolution; and

WHEREAS, the adoption of this Resolution meets the requirements of District Rules and State law for the adoption of the District’s Annual Fee Schedule; and

WHEREAS, the Board of Directors of the District desires to address its mandate to conserve, preserve, protect, and enhance the groundwater within the District through regulatory fees and to recover reasonable administrative costs;

NOW, THEREFORE, WE, THE BOARD OF DIRECTORS OF THE BRUSH COUNTRY GROUNDWATER CONSERVATION DISTRICT, DO HEREBY ADOPT THE Fiscal Year 2013 Fee Schedule attached as Exhibit A, as allowed under its enabling legislation codified at Special District Local Laws Code, Chapter 8852; Chapter 36 of the Texas Water Code; and other State laws.

The motion passed with _____ ayes and _____ nays.

PASSED, APPROVED, AND MADE EFFECTIVE for August 26, 2013.

George Tanner, Board President

David Kelly, Board Secretary

Brush Country Groundwater Conservation District
