

Falfurrias, Texas July 26,2023

Brush Country Groundwater Conservation District would like to thank and recognize Mr. Robert Fulbright for 13 years of service serving on the board of directors. Mr. Fulbright recently retired and has been a great asset to our board and we will definitely miss his knowledge, experience, his commitment and excellence. General Manager Luis “Louie” Pena mentioned that “Mr. Fulbright always made our monthly meetings interesting and exciting, his experience, passion for water rights and water conservation, knowledge and sense of humor” he will be missed. President David Kelly mentioned “I would like to express my deep appreciation to Mr. Robert Fulbright as a founding member when the district was created, he had extreme dedication, leadership and humor and stood for what the groundwater district represents. He was an outstanding director and we will definitely miss him.” Mr. Humberto Martinez from Hebbronville will fill the vacancy created by Mr. Fulbright’s retirement.
